

ASHOK HALL GIRLS' HIGHER SECONDARY SCHOOL CAMPUS CONNECT

MAY, 2026

REFLECTION OF CHRONICLES

"Success is never a destination, but a journey shaped by courage, perseverance, and belief in one's potential." The excellent performance of our students in the CBSE AISSCE 2026 examination reflects this spirit of resilience and determination.

This year presented unique challenges with the introduction of On-Screen Marking (OSM) and discussions surrounding evaluation practices. Despite this, our students performed commendably, upholding the school's standard of excellence.

Looking ahead, CBSE's upcoming reforms, including skill-based subjects and the three-language system, will be implemented in the current session. The school is fully prepared to embrace these changes, with a strong focus on building skilled, adaptable, and responsible learners.

We remain committed to providing a nurturing environment that ensures holistic development and continued success for every student.

Dr. Sampa Banik, Officiating Principal

AHGHSS: PRAGATI

From Curriculum to Career

FASHION TECHNOLOGY

Mainly focuses on Technical and Production side of Fashion

How to go for it?

Take Any stream in class XII

Career Roles: CAD Designer || Apparel Production Manager || Fashion Technologist || Product Developer

Exams: NIFT || JEE

REFLECTION OF CHRONICLES

The integration of Artificial Intelligence and Robotics in our Junior and Middle School marks a significant step towards preparing students for a digitally driven future. This initiative has been met with enthusiastic participation, reflecting students' curiosity and readiness for innovative learning.

Through hands-on, inquiry-based activities, these classes promote experiential learning while strengthening logical thinking, problem-solving, and computational skills. Robotics introduces interdisciplinary STEM concepts, while AI modules build foundational understanding of pattern recognition, decision-making, and ethical technology use. Early exposure to AI and Robotics not only makes learning engaging but also equips students with essential future-ready skills, fostering creativity, confidence, and adaptability for the twenty-first century.

Mrs. Madhumita Arnab Chatteraj (Vice Principal)

STYLE, SPIRIT & SUCCESS : CHAMPIONS OF THE CHAMPION

Lights, creativity, and confidence took centre stage as Ashok Hall Girls' Higher Secondary School clinched the "Champions of the Champion" Award at the prestigious Iconic Fashion Academy. The victory celebrated not just style, but the passion, teamwork, and dedication that turned vision into achievement.

CELEBRATING LEADERSHIP ELECTION RESULTS

Congratulations on earning the trust and confidence of your peers. Your leadership and responsibility will shape a positive and progressive future.

STEALING THE SPOTLIGHT

The Bharat Scouts and Guides Basic Flock Leaders Training was conducted at the State Training Center, Ganganagar, West Bengal from 16.5.26 to 22.5.26 through an intensive and rigorous programme designed to prepare educators for effective leadership in the Bulbul movement.

CLOUDS, CAVES & CULTURE: A NORTH-EAST ADVENTURE

From exploring the breathtaking Nohkalikai Falls and the mysterious Garden of Caves to experiencing the sustainable lifestyle of Mawlynnong, the educational trip to Assam and Meghalaya was a perfect blend of adventure and learning. Visits to the Mawphlang Sacred Forest, Umiam Lake, and the lively streets of Shillong offered a deeper understanding of North-East India's rich culture, natural beauty, and environmental heritage.

CELEBRATING TAGORE'S LEGACY: RABINDRA JAYANTI 2026

On May 7, 2026 Ashok Hall Girls' Higher Secondary School commemorated Rabindra Jayanti by paying tribute to Rabindranath Tagore, the visionary who taught us the true meaning of freedom. Students from Classes VI to XII participated enthusiastically, showcasing their reverence through soulful songs, graceful dances, and meaningful recitations. The programme was a memorable celebration of Gurudev's timeless ideals, leaving a lasting impression and reaffirming his enduring presence in our hearts.

BEHIND THE HEADLINES

The two-day Summer Program by The Times of India offered an exciting glimpse into the world of journalism and media production. From an inspiring session on the power of print media to witnessing the newspaper printing process and CTP technology firsthand at the Kolkata Plant, the experience was both informative and engaging. Adding to the excitement, the participants' group secured the 3rd position overall, earning certificates, LOR and diaries. The program proved to be a memorable journey into the fast-paced world behind the headlines.

CELEBRATING EXCELLENCE (CLASS XII TOPPERS)

The school organised a small yet meaningful cake-cutting and prize-giving ceremony to celebrate the outstanding achievement of the Class XII toppers. The occasion was marked by warmth, pride, and appreciation for the students' hard work and perseverance. In the presence of the Principal, teachers, the toppers were felicitated with prizes and words of encouragement. The ceremonial cake cutting added a joyful touch to the celebration, symbolising success and new beginnings. The event concluded on an inspiring note, motivating students to continue striving for excellence and upholding the values of dedication and determination.

CBSE CBP ON EXPERIENTIAL LEARNING

The CBSE Capacity Building Programme on Experiential Learning was conducted on 18th and 19th May 2026 at G.D. Goenka Public School, Habra, under the aegis of the Centre of Excellence, Bhubaneswar. Ms. Joyanti Das served as the Resource Person for the programme. The sessions enabled educators to engage in meaningful interactions and explore innovative experiential learning practices. The programme was well organised, with active participation from teachers and commendable hospitality by the host school.

STEALING THE SPOTLIGHT

Ritsika Das of Class XII-S3 won the Bronze Medal in the U19 4x Rowing event at the ASMITA National Women's League held in Gorakhpur from 12 to 16 May 2026.

STEALING THE SPOTLIGHT

Manha Zafar of Class - XI S2 secured Second Runner-Up position in the Just a Minute event at the inter-school fest "Jubilare, 2026"

STEALING THE SPOTLIGHT

An article titled "Smell of Love," written by Samadrita Pramanik of Class X A, highlighting the emotional significance of comfort food, was published in Young Metro newspaper, bringing pride to the school.

BEATING THE SUMMER BLUES

This summer came alive with energy, excitement, and a whole lot of team spirit at an action-packed sports camp filled with football, badminton, pickleball, kho-kho, tug of war, and more. From learning new techniques to pushing limits on the field, every moment was a perfect mix of fun and fitness.

More than just a camp, it became a celebration of confidence, resilience, teamwork, and sportsmanship. With cheers, determination, and unwavering support all around, the experience truly turned the summer heat into winning vibes and unforgettable memories.

WATERMELON MAKING USING SEMI-CIRCULAR SHAPE

The students participated in a fun and engaging craft activity where they created a watermelon using the shape of a semi-circle and completed it with finger printing seeds. An innovative hands-on teaching method was used through art integration and experiential learning, where children learnt concepts of EVS, Mathematics and Art together. The finger printing activity strengthened fine motor skills and reinforced the use of the index finger, while counting the seeds helped children connect numbers with quantities. Shape recognition was enhanced by relating the semi circle shape to a familiar summer fruit. The activity based learning promoted creativity, observation and joyful participation among our young learners.
